- ___ *will not enroll in driver's education or other classes that would conflict with the Viking Singers schedule during the 2018- 2019 school year*
- ___ *will maintain a flexible schedule so that I am available to add additional performances as requests present themselves and will do everything possible to resolve conflicts between my personal schedule and a performance or rehearsal so that I will be able to do both activities.*

I support my child's participation in Viking Singers for the entire 2017 - 2018 school year. If my daughter or son is invited to participate in this ensemble, I will do everything in my power to help them honor their promise of commitment. Realizing that the success of the Viking Singers Ensemble is dependent on each student being a present and active participant, I will not remove my daughter or son from the ensemble without a joint decision between myself and Ms. Perier and will refrain from intentionally scheduling conflicts with the rehearsal and performance calendar. I understand that successful participation in this select ensemble requires that my daughter or son will attend every performance and will do everything in my power to make that possible.
