## Honor Choir Auditions Participation

\_\_\_\_\_ YES!!! I Will audition for Regional Honor Choir. YES, I would like to be part of this AMAZING, and unforgettable experience! If chosen, I realize that I am committed to the following dates: September 29<sup>th</sup> (Stan State Turlock), and November 15, 16, 17 (Clovis, CA). These are the ONLY dates required. If chosen, I will also be responsible for learning the music on my own time!. If I should drop out for any reason or do not learn my music, after being chosen, I realize that I will jeopardize my entire school's participation for the following year. Cost to audition is \$10 per person (Boosters can help with this fee if absolutely necessary)

\_\_\_\_\_ NO, sorry, I am unable to audition or participate in Regional Honor Choir this year. Please assign me an alternate assignment. I understand that this assignment will consist of a short written Essay and that I will be required to attend another groups vocal concert, approved by Ms. Perier in advance.

## Vocal Workshop Participation

\_\_\_\_\_ YES, I will participate in the optional vocal workshop at CSU Stanislaus Music department, Turlock on Saturday September 8th from 9am to Noon. The skills necessary for the audition process, as well as an Italian art song will be learned at this workshop. (highly recommended – boosters will pay the fee if you choose to attend) This is NOT a field trip. Transportation is NOT provided by the school. Transportation is the responsibility of each family. This is optional and NOT required for class and NOT required to audition for the honor choirs. You may still sign up for the workshop even if you do not plan to audition.

\_\_\_\_\_ No, I am unable to participate in the Vocal Workshop this year.
